MILAN FOODS

Quality-Taste-Pure

Milan Foods started its journey as an exclusive spice company in 2007. With the years of determination and top quality product development, we became Pakistan's one of the initial **FDA Approved** food producing companies with most authentic traditional and exotic taste. We are the ultimate solution for all of your desi food cravings.

We have been offering our products of entrancing and most aromatic Asian taste including wide range of spices, Food Product and Recipe Mixes. After the decades of cleaning, blending and grinding of our own grown and produced exotic spices, we made our space internationally. Our achievements of working for 40+ years as a family business of tea and milk powder and after investing 10+ years in producing spices locally in our hometown, now Milan Foods has reached to its ultimate goal of exporting its spices and food globally. With the inclusion of exotic recipes.

We cater our customers' food longings with our most hygienic, super tasty, and exclusive food products. With our mission of expanding our culinary and food business as one of the only authentic and high quality food producers, we are still standing firm on our grounds. Milan Foods foster its customers with 100% satisfaction when it comes to the quality, quantity, and rates of our products.

Here at Milan Foods we work as a team in manufacturing, producing, packing, and delivering our spices, and food products. We bring the ultimate balance and perfect blend of spices to your tables to make your everyday food experience phenomenal.

Milan Foods has committed to using solar energy for 90% of its production processes. This commitment was intended to reduce the environmental impact of Society.

The flavor of Pakistani rice is loved and admired globally giving it the competitive advantage. It is rich in taste and provides so many nutritional and skincare benefits that people always keep a stock of it in their homes. In fact, different types of rice will have different tastes, but the thing that really characterizes the richness in taste is whether the rice has been polished or not. Your cooking method can also make the flavor different. Being the best rice exporter, Pakistan is stringent when it comes to producing rice. Therefore, only the most suitable environment with the best quality fertilizers is used for quality production rice infused with rich flavor.

Rice is produced in Pakistan in various sizes. Mainly, Pakistan is known for its long-grain basmati rice, with several added nutrients beneficial for health. People around the world love the best basmati rice from Pakistan for this reason.

Milan Foods is emerging as one of the best rice exporters in Pakistan. Our goal is to become a top rice exporting brand in Pakistan. Currently, we are dealing with small rice marketplace but eventually, we are going to increase our rice export.

To become the largest exporter of rice we are working hard. We have some extraordinary working ethics for rice exports. Pakistan is among the top rice-producing country and 3rd largest rice exporter. Pakistan super kernel basmati rice is loved all over the globe. Apart from this we also deal in 1121 SELLA and STEAM Basmati and Non Basmati rice.
